HARD WORK * INTEGRITY * TEAMWORK
FUNDAMENTALS * SPORTSMANSHIP

Philosophy

The purpose of the MBA is to grow the game of basketball for boys who plan to attend *Millard West* High School. Coaches will help develop each player's character with lessons of hard work, sportsmanship, integrity, and teamwork.

By teaching fundamentals and team concepts of the game of basketball, coaches will help players have fun while learning the correct way to play the game.

The ultimate goal of the MBA is to help make each participant a better player and, more importantly, a better person.
