## Wildcat Report

November 30, 2023, Vol. 15 No. 1

### 23-24 Wildcats Ready to Get Started

The 2023-24 Wildcat Basketball team is ready to get started. They have been working hard to prepare for this year's season.

Six seniors will lead the way for the Wildcats as they look to improve on last year's 8-15 record. The group of Seniors have played together in the MBA, summer, and early years at Millard West. They have great team chemistry which should lead to a successful year.

Max Frohloff is a two-year returning starter. He has played both point-guard and off-guard for the Wildcats.

Cooper Fortune and Jordan Gasen were key parts on last year's team. The three returners will be looked upon to lead the rest of the team throughout the season.

Tag Carmichael lettered on the Varsity team last year. He will be joined by fellow teammates Jace Ingebretson and Nathan Durand.

"This year's team seems to have great chemistry. The Seniors and Juniors compete hard against each other in practice and work well together at the same time," Coach Bill Morrison said.

"The Seniors have also been great about helping the younger players adapt to Varsity basketball."

Juniors on the team will be led by Reece Carson, a 6'3" guard. Trey Abara, Jayden Kozney, Carter LaBorde, and Carson Hutteger have also made the Varsity team.

Sophomore Vince Long and Freshman Cade Walker round out the 23-

24 Wildcats.

Coach Morrison is optimistic about this year's team. "We are not very big and do not have a super-star, but we do play together very well. This team is moving the ball quickly and seems to be willing to make plays for each other."

"We will have to shoot the ball well and play great team-defense to be successful this year. I think we have a lot of room for growth. I am looking forward to seeing how much we have improved by the end of the season."

The Wildcats start the season with two games on the road. They will play at Columbus on November 30th. The Wildcats will then play either Papillion South or Grand Island at Grand Island on Saturday, December 1st.
