Omaha, NE 68136*

Sign up now!

Only

36 Teams

Can Play

Thank you for playing in our Golf Classic and supporting the MBA.

The Millard Basketball Association was established as a Millard West feeder team by Rick Hook in 1999. The Association continues to help young athletes prepare to compete at the high school level.

The funds raised from our Golf Classic will help us give as many young athletes a chance to participate as well as keep the costs down for our approximately 227 players involved.

Registration

This year, registration will be done completely on-line. Registration can be done individually or as a team.

There will not be an option to pay at the course on the day of the tournament.

To complete team registration, you will need all four player names and email addresses and pay \$300 on credit card.

If you do not have a team and want to golf, Individual golfers are allowed. You will be put on a team with other individual golfers on the day of the tournament.
