Thank you for considering a donation to the Millard Basketball Association. The MBA is a youth basketball program that helps young athletes develop into responsible young men.

We try our best to make the MBA affordable for all families. We depend on a lot of volunteer help to coach teams, organize practice and game schedules, and to run our tournament in March. We are not an organization that is out to make money. **Your donation** will help us keep the MBA affordable for all families involved.

The purpose of the MBA is to grow the game of basketball for the boys in the *Millard West* school district. Coaches will help develop each player's character with lessons of hard work, sportsmanship, integrity, and teamwork.

By teaching fundamentals and team concepts of the game of basketball, coaches will help players have fun while learning the correct way to play the game.

The ultimate goal of the MBA is to help make each participant a better player and, more importantly, a better person.

Your donation is **tax deductible**. Please consider helping us keep our prices low by sponsoring our Golf Tournament. We would also love to have you come out and play on October 8.

Thank you for your support.
